FROM THE RECTORATE OF BARTIN UNIVERSITY

International students will be admitted to Master's (with Thesis, non Thesis) and Doctoral programs for the 2026-2027 Academic Year Fall Semester by the Graduate School of our University for the departments listed below.

Candidates are required to fill out the online application form by entering their documents and information accurately between March 12 and April 24, 2026 (until 23:59) by clicking on the MENU, APPLICATION PROCEDURES, and INTERNATIONAL STUDENT INSTITUTE APPLICATION sections at the web address http://ubys.bartin.edu.tr/.

Information regarding final registration procedures is provided below. Applications of candidates who declare missing or incorrect documents/information during the application will not be accepted, and final registration procedures will not be performed. Candidates will be able to submbit one application for each program type (at most one master's with thesis, one non-thesis Master's, and one doctoral program).

Sincerely,

Bartın University Graduate School

MASTER'S WITH THESIS		
DEPARTMENT	**QUOTA**	**SPECIAL CONDITIONS**
ARCHAEOLOGY	5	To be a bachelor's graduate from one of the departments of Archaeology, Art History, or Cultural Heritage.
BASIC ISLAMIC SCIENCES	10	To be a graduate of a bachelor's degree program in any of the fields of Arabic Language and Literature and Religious Sciences.
BIOTECHNOLOGY	5	To be a bachelor's graduate from one of the departments of Biotechnology, Biology, Chemistry, or Molecular Biology and Genetics.
BUSINESS ADMINISTRATION	5	To be a graduate of a bachelor's degree program.
BUSINESS ADMINISTRATION Accounting and Finance	5	To be a graduate of a bachelor's degree program.
CIVIL ENGINEERING	5	To be a graduate of a bachelor's degree program in Civil Engineering.

COACHING EDUCATION	5	To be a bachelor's graduate from the Coaching Education department of a Faculty of Sport Sciences or a School of Physical Education and Sports.
CONTEMPORARY TURKISH DIALECTS AND LITERATURES	5	To be a graduate of any department related to Turkology.
ECONOMICS	5	To be a graduate of a bachelor's degree program.
EDUCATIONAL SCIENCES Curriculum and Instruction	5	To be a bachelor's graduate from one of the fields of education.
EDUCATIONAL SCIENCES Lifelong Learning and Adult Education	5	To be a bachelor's graduate.
EDUCATIONAL SCIENCES Guidance and Psychological Counseling	5	To be a bachelor's graduate from the department of Guidance and Psychological Counseling.
ELECTRICAL-ELECTRONICS ENGINEERING	5	To be a bachelor's graduate from one of the departments of Electrical Engineering, Electrical-Electronics Engineering, Electronics Engineering, Electronics and Communication Engineering, Control Engineering, Control and Automation Engineering, Energy Engineering, Telecommunications Engineering, Computer Engineering, or Artificial Intelligence and Data Engineering.
FINE ARTS EDUCATION Art Education	10	To be a bachelor's graduate of the Faculty of Education, Department of Fine Arts Education, Art Education Major, or to be a bachelor's graduate from one of the art-related departments of Faculties of Fine Arts/Faculties of Art and Design, Faculty of Design and Architecture, Faculty of Fine Arts and Architecture, Faculty of Architecture and Design, and/or Faculties of Communication.
FOREST ENGINEERING	5	To be a graduate of a bachelor's degree program in the department of Forest Engineering.
FOREST INDUSTRIAL ENGINEERING	5	To be a graduate of a bachelor's degree program in one of the departments of Forest Industrial Engineering, Forest Engineering, Industrial Engineering, Furniture and Decoration Teaching, Civil Engineering, Woodworking Industrial Engineering, Chemistry, Chemical Engineering, Environmental Engineering, Business Administration, or Management Information Systems.
HISTORY	5	To be a graduate of one of the programs in the field of Social Sciences and Humanities.
INFORMATION AND LOGISTICS MANAGEMENT (Interdisciplinary)	5	To be a bachelor's graduate.
INFORMATION AND RECORDS MANAGEMENT	5	To be a bachelor's graduate from one of the departments of Information and Records Management, Archival Studies, or Information Science.
INFORMATION SYSTEMS AND TECHNOLOGIES	5	To be a bachelor's graduate.

INTERNATIONAL TRADE AND LOGISTICS	5	To be a bachelor's degree graduate.
LANDSCAPE ARCHITECTURE	5	To be a graduate of a bachelor's degree program in one of the departments of Landscape Architecture, Architecture, or City and Regional Planning.
MANAGEMENT INFORMATION SYSTEMS	5	To be a bachelor's degree graduate from one of the departments of Management Information Systems, Computer Engineering, Industrial Engineering, Software Engineering, Information Systems Engineering, Information Systems and Technologies, Computer and Information Systems Engineering, Computer and Instructional Technologies Teaching, Forensic Computing Engineering, Industrial and Systems Engineering, Electrical and Electronics Engineering, Control Engineering, Control and Automation Engineering, Energy Systems Engineering, International Trade and Logistics, Business Administration, Business Informatics, Statistics, or Mathematics.
MATHEMATICS	5	To be a graduate of a bachelor's degree program in one of the departments of Mathematics, Statistics, Mathematics Teaching, or Mathematics Engineering.
MATHEMATICS AND SCIENCE EDUCATION Science Education	5	To be a graduate of a bachelor's degree program in one of the departments of Science Teaching, Biology Teaching, Physics Teaching, Chemistry Teaching, and Classroom Teaching, or to be a graduate of a bachelor's degree program in one of the departments of Biology, Physics, Chemistry, or Molecular Biology and Genetics and have received pedagogical formation training.
MATHEMATICS AND SCIENCE EDUCATION Mathematics Education	5	To be a graduate of a bachelor's degree program in any of the departments of Primary School Mathematics Teaching and Mathematics Teaching, or to be a graduate of a bachelor's degree program in the department of Mathematics and have received pedagogical formation training.
MECHANICAL ENGINEERING	5	To be a graduate of a bachelor's degree program in Mechanical Engineering, Energy Systems Engineering, or Manufacturing Engineering.
METALLURGICAL AND MATERIALS ENGINEERING	5	To be a graduate of a bachelor's degree program from any department of the Faculties of Engineering, Aviation and Space Sciences, Aircraft and Space Sciences, or Technology, or from one of the Physics or Chemistry departments of the Faculties of Science.
MOLECULAR BIOLOGY AND GENETICS	5	To be a graduate of a bachelor's degree program in one of the departments of Molecular Biology and Genetics, Biology, Bioengineering, Food Engineering, Agricultural Engineering, Nutrition and Dietetics, or Chemistry.
NURSING Surgical Nursing	5	To be a bachelor's graduate from the department of Nursing.
NURSING Internal Medicine Nursing	5	To be a bachelor's graduate from the department of Nursing.
NURSING Public Health Nursing	5	To be a graduate of a bachelor's degree program in Nursing.
PHILOSOPHY	5	To be a graduate of one of the bachelor's programs in Philosophy, Sociology, or Psychology.

PHILOSOPHY AND RELIGIOUS SCIENCES Religious Sciences	5	To be a bachelor's graduate from one of the departments of Faculty of International Islamic and Religious Sciences, Faculty of Religious Sciences, or Primary School Religious Culture and Ethics Education.
PHYSICAL EDUCATION AND SPORTS	5	To be a bachelor's graduate from one of the fields of Physical Education and Sports.
POLITICAL SCIENCE AND PUBLIC ADMINISTRATION	5	To be a graduate of a bachelor's degree program in one of the departments of Political Science and Public Administration, Public Administration, Political Science and International Relations, International Relations, Sociology, or History.
PRIMARY EDUCATION Classroom Teaching	10	To be a graduate of a bachelor's degree program in one of the departments of Classroom Teaching or Pre-school Teaching.
REGIONAL DEVELOPMENT ECONOMICS (Interdisciplinary)	5	To be a bachelor's graduate.
SMART SYSTEMS ENGINEERING (Interdisciplinary)	5	To be a bachelor's graduate from any department related to the field of Smart Systems Engineering in Faculties of Engineering.
SOCIAL WORK	5	To be a graduate of a bachelor's degree program in the department of Social Work.
SOCIOLOGY	5	To be a graduate of a bachelor's degree program in the Sociology department of the Faculty of Letters or the Faculty of Humanities and Social Sciences.
TEACHING TURKISH AS A FOREIGN LANGUAGE (Interdisciplinary)	5	To be a bachelor's degree graduate from one of the departments of Turkish Language Teaching, Turkish Language and Literature Teaching, Turkish Language and Literature, or Turkology.
TURKISH AND SOCIAL SCIENCES EDUCATION Social Studies Education	5	To be a graduate of a bachelor's degree program in the Department of Social Studies Teaching of the Faculty of Education.
TURKISH AND SOCIAL SCIENCES EDUCATION Turkish Education	5	To be a bachelor's degree graduate of the Department of Turkish Language Teaching, Faculty of Education.
TURKISH LANGUAGE AND LITERATURE	5	To be a graduate of a bachelor's degree program in the field of Turkish Language and Literature.

DOCTORATE		
DEPARTMENT	**QUOTA**	**SPECIAL CONDITIONS**
BUSINESS ADMINISTRATION	5	To be a graduate of a master's program with a thesis.
CIVIL ENGINEERING	5	To be a bachelor's degree graduate of the Department of Civil Engineering and a graduate of a master's program with a thesis in the Department of Civil Engineering.

EDUCATIONAL SCIENCES Curriculum and Instruction	5	To be a graduate of a master's program with a thesis in the field of Curriculum and Instruction.
FOREST ENGINEERING	5	To be a graduate of a master's program with a thesis in the field of Forest Engineering.
FOREST INDUSTRIAL ENGINEERING	5	To be a graduate of a master's program with a thesis from one of the departments of Forest Industrial Engineering, Forest Engineering, Industrial Engineering, Furniture and Decoration Teaching, Civil Engineering, Woodworking Industrial Engineering, Chemistry, Chemical Engineering, Environmental Engineering, Business Administration, or Management Information Systems.
LANDSCAPE ARCHITECTURE	5	To be a graduate of a master's program with a thesis in the Department of Landscape Architecture.
MATHEMATICS	5	To be a bachelor's degree graduate from one of the departments of Mathematics or Statistics in the Faculty of Science or Faculty of Science and Letters, Mathematics Teaching in the Faculty of Education, or Mathematics Engineering, or to be a graduate of a master's program with a thesis in the Department of Mathematics.
MECHANICAL ENGINEERING	5	To be a graduate of one of the bachelor's or master's programs with a thesis in Mechanical Engineering, Energy Systems Engineering, or Manufacturing Engineering.
PHILOSOPHY	5	To be a graduate of one of the master's programs with a thesis in Philosophy, Sociology, or Psychology.
TURKISH LANGUAGE AND LITERATURE	5	To be a graduate of a master's program with a thesis in the field of Turkish Language and Literature.

NON-THESIS MASTER'S DEGREE		
DEPARTMENT	**QUOTA**	**SPECIAL CONDITIONS**
EDUCATIONAL SCIENCES Lifelong Learning and Adult Education	5	To be a bachelor's degree graduate.

A) Application Requirements for the Master's Program with Thesis

a) To hold an undergraduate degree.

b) Verification of Turkish proficiency is not required for the application. Shortlisted candidates who possess a Turkish proficiency certificate will be eligible for final registration. Those without a Turkish proficiency certificate will be granted a preparatory period of up to two semesters. This preparatory period will not count towards the duration of the master’s program. Students who fail to meet the language requirement by the end of this period will be dismissed from the University.

c) Turkish language proficiency is not required for international student candidates who document that they have completed their undergraduate studies at a university where the medium of instruction is Turkish.

ç) To meet the requirements specified in the special conditions.

B) Application Requirements for the Doctoral Program

a) To hold a Master's degree with thesis**.**

b) For those applying to a doctoral program with an undergraduate degree, their undergraduate graduation grade point average must be at least 3.00 out of 4.00.

c) Verification of Turkish proficiency is not required for the application. Shortlisted candidates who possess a Turkish proficiency certificate will be eligible for final registration. Those without a Turkish proficiency certificate will be granted a preparatory period of up to two semesters. This preparatory period will not count towards the duration of the master’s program. Students who fail to meet the language requirement by the end of this period will be dismissed from the University.

ç) Turkish language proficiency is not required for international student candidates who document that they have completed their undergraduate or graduate studies at a university where the medium of instruction is Turkish.

d) For admission to doctoral programs, to have a score of at least 55 obtained within the last 5 years from YDS, YÖKDİL, or international foreign language exams whose equivalence is accepted by YÖK, in a language other than their native language.

e) To meet the requirements specified in the special conditions.

C) Application Requirements for the Non-Thesis Master's Program

a) To hold an undergraduate degree.

b) Verification of Turkish proficiency is not required for the application. Shortlisted candidates who possess a Turkish proficiency certificate will be eligible for final registration. Those without a Turkish proficiency certificate will be granted a preparatory period of up to two semesters. This preparatory period will not count towards the duration of the master’s program. Students who fail to meet the language requirement by the end of this period will be dismissed from the University

c) Turkish language proficiency is not required for international candidates who document that they have completed their undergraduate studies at a university where the medium of instruction is Turkish.

ç) To meet the requirements specified in the special conditions.

Ç) Online Application

a) Online applications shall be made between the dates specified in the announcement through the **MENU, APPLICATION PROCEDURES, and INTERNATIONAL STUDENT INSTITUTE APPLICATION** tabs at the web address **http://ubys.bartin.edu.tr/.** Candidates may only apply to one program.

b) Candidates are required to upload one passport-size photo, diploma (graduation certificate), graduation transcript of records (transcript), passport, and the notarized or Turkish Representation-approved Turkish translations of these documents. For PhD applications, candidates must also upload the foreign language exam result document.

c) During the application process, candidates must upload/enter their documents/information accurately and completely. Applications of candidates who upload incomplete, incorrect, unapproved documents or documents without a verification code will not be accepted. In the event of a discrepancy between the uploaded document and the information entered into the system (whether in favor of or against the candidate), the candidate's application will be rejected.

ç) The approval and rejection status of applications can be checked from the application screen or via e-mail addresses. Candidates are required to check their approval status during the application period and update their application if there is an editable reason for rejection.

D) Evaluation and Student Admission

a) In Admission to Master's Programs with Thesis; candidates are admitted to master's programs with thesis within the quota based on their undergraduate cumulative grade point average.

b) In Admission to Doctoral Studies; candidates are admitted to doctoral programs within the quota by calculating 70% of the master's with thesis cumulative grade point average and 30% of the foreign language score from YDS, YÖKDİL, or an equivalent exam recognized by YÖK.

c) In Admission to Non-Thesis Master's Programs; candidates are admitted to non-thesis master's programs within the quota based on their

undergraduate cumulative grade point average.

ç) Student admission will be carried out after applications are evaluated according to the relevant provisions of the Bartın University Graduate Education and Training Regulation and the Bartın University Directive on Application, Admission, and Registration of International Student Candidates to Graduate Programs.

E) Graduate International Student Recruitment Calendar

Application Dates	**March 12-April 24, 2026**
Result Announcement Date	**May 04, 2026**
Online Payment Dates for Spring Semester Admission Acceptance Document	**May 11-22, 2026**
Final Registration Dates	**August 17-28, 2026**

F) Documents Required for Final Registration

a) For applicants to Master's Programs, photocopies of the Bachelor's diploma; for applicants to Doctoral Programs, photocopies of the Bachelor's and Master's with Thesis diplomas (graduation certificate) are required, and the original documents are also necessary for the verification of the photocopies (an Apostille is required for those obtained abroad)

b) For applicants to Master's Programs, photocopies of the Bachelor's transcript; for applicants to Doctoral Programs, photocopies of the Bachelor's and Master's with Thesis transcripts (graduation transcript) are required, and the original documents are also necessary for the verification of the photocopies (an Apostille is required for those obtained abroad)

c) Turkish translations approved by a notary or a Turkish Representation of the Bachelor's diploma (graduation certificate) for Master's applicants; and of the Bachelor's and Master's with Thesis diplomas (graduation certificates), transcripts (graduation transcripts), and Passport for Doctoral applicants

ç) Students who graduated from a university in Türkiye may submit printouts of their Graduation and Transcript documents obtained by downloading them from e-devlet.

d) For doctoral programs, an international foreign language result document from YDS, YÖKDİL, or an equivalent recognized by YÖK, obtained within the last 5 years

e) Passport document [the passport must contain a border gate entry stamp and a visa sticker (except for those within the scope of visa exemption).]

f) A document showing legal stay status in Türkiye (one of the following: visa, residence permit, stateless person identity document, international protection identity document, temporary protection identity document, work permit, work permit exemption certificate, Blue Card, or Foreign Mission Personnel/Family Member Identity Card)

g) 1 passport-sized photograph (taken within the last six months)

ğ) For bachelor's and master's diplomas obtained from abroad, excluding health fields, a recognition certificate obtained from the Council of Higher Education regarding whether the institutions where they previously studied are recognized (except for refugees)

h) For bachelor's and master's diplomas obtained abroad for health fields with clinical practice, a Diploma Equivalency Certificate

ı) Document confirming payment of tuition fees (Receipt)

i) Turkish Proficiency Certificate obtained from exams organized by institutions recognized by YÖK, if available

j) Student residence permit to be obtained from the Directorate of Migration Management (to be submitted to the Graduate School within one month at the latest after registration.)

Note: Notary certification is not mandatory for the diploma (graduation certificate) for students who have a YÖK equivalence certificate or graduation recognition certificate.

G) Fee Table

Program	Semester Fee	Total Fee
Master's and Doctorate Programs	24.000 TL	48.000 TL

Fees must be paid via Ziraat Bank Mobile Banking or ATM using the Student Number. Payments shall strictly not be made to an IBAN.
