Thank you for registering for the European Solidarity Corps! By taking this first step, you have demonstrated your willingness to get involved and help people and communities across Europe.

The European Solidarity Corps portal offers a place for young people and organisations running European Solidarity Corps projects to find each other. Organisations can search the database and contact young registrants but they can also advertise opportunities for volunteering activities, traineeships and jobs. You can therefore look directly for opportunities and express your interest in them!

Now that you have completed your Corps basic registration, please take a few more minutes to complete your personal profile. This additional information will help organisations to search for the people who are best suited to join their projects. You can add or change this information at any time by logging into your personal account. Please keep your profile up-to-date.

If you have not done it yet, why not do it right now? Click the link below to go to your account and complete your European Solidarity Corps profile!
