PRACTICAL INFORMATION

Visa & Accommodation

Our international office helps all incoming students in person for their needs with visa, insurance and housing.

- Students are required to obtain their own insurance policy privately after their arrivals.
- After their arrivals in Bartın, students are accompanied by their buddies at Erasmus Exchange Club (e.g. at the immigration office for receiving the residential permit during their studies at Bartın University)
- Students are not obliged to receive a visa prior to their arrivals. They will already apply for a residential permit.

We offer accommodation types to our students as youth hostels, dormitories or student houses.
