Technical Specifications

- ✓ The trolley is equipped with four castors, two of which are lockable.
- ✓ It has impact deflectors that protect the trolley and surrounding walls from damage caused by friction, collisions, and lateral impacts while allowing the trolley to remain mobile.
- ✓ It includes five supply containers with transparent lids, one waste container, one stainless-steel accessory rail, one stainless-steel push handle, and two drawers.
- ✓ The drawers operate on a sliding rail system.
