

FACULTY OF HEALTH SCIENCES
INFORMATION TECHNOLOGIES AND WEB COMMISSION
2024–2025 ANNUAL ACTIVITY REPORT

In accordance with the decisions taken during the Commission meetings, the following activities were carried out throughout **2025**:

- The English version of the Faculty and departmental websites was updated to enhance the international visibility of the Faculty. In addition, English descriptions were added to news posts shared on social media, ensuring the continued dissemination of bilingual content.
- Awareness-raising and promotional activities were conducted to increase the number of followers of the Faculty's and departments' social media accounts. Between **April 2025** and the end of **2025**, Instagram followers increased as follows:

Faculty of Health Sciences: **705 → 887**

Department of Nursing: **712 → 839**

Department of Midwifery: **260 → 317**

Department of Social Work: **100 → 105**

During the same period, **X (formerly Twitter)** followers increased as follows:

Faculty of Health Sciences: **169 → 180**

Department of Nursing: **260 → 271**

Department of Midwifery: **114 → 122**

- Within the scope of the Department of Nursing accreditation process, both the Turkish and English versions of the Department's webpages were updated and the necessary improvements were completed.
- A total of **92 news items** were published on the Faculty website, covering scientific and social activities, community engagement projects, orientation programs for newly appointed staff, and awards received by the Faculty.
- A total of **100 announcements** were published on the Faculty website, including information on symposiums, scientific and social events, scholarships for students referred through the University Information Management System (UBYS), activities, meetings, and examination schedules.
- News and announcements shared through the Faculty's social media accounts during 2025 included:
 - Faculty of Health Sciences: **120** posts on Instagram and **107** posts on X (formerly Twitter)
 - Department of Nursing: **83** posts on Instagram and **75** posts on X
 - Department of Midwifery: **73** posts on Instagram and **62** posts on X
 - Department of Social Work: **60** posts on X
- The contact and profile information of the Faculty's academic and administrative staff was updated.
- During **2025**, the Faculty website received **28,995** visits, while the Department of Nursing website received **15,573** visits and the Department of Social Work website received **6,165** visits.

As a member of the Unit Risk Identification and Analysis Commission within our Faculty, the necessary evidence was collected during 2025, and the reporting process was completed within the scope of the 2024 Consolidated Risk Action Plan Report.

In addition, in accordance with the letter of the Dean's Office of the Faculty of Health Sciences dated 31 December 2024 and numbered 2400140113, activities related to the 2025 Consolidated Risk Action Plan were carried out. Furthermore, in line with the revisions made to the Public Institutional Risk Management Guide, the Risk Register and Additional Risk Management Activity Monitoring Form was prepared by the Commission.

I respectfully submit this information for your kind consideration.

SCHOLARSHIP AND PART-TIME STUDENT COMMISSION

2025 ACTIVITY REPORT

The Commission was established on 10 October 2025. No responsibilities were transferred from the previous term. All activities carried out by the Commission have been conducted through the official correspondence of the Dean's Office.

The first Commission meeting was held on 16 October 2025. In accordance with the Dean's Office letter dated 14 October 2025 and numbered E-71504618-929-2500116960, a total of 15 applications submitted for vacant Part-Time Student positions were reviewed by the Commission. Following the evaluation process, three principal candidates and three reserve candidates were selected and submitted to the Dean's Office through the Part-Time Student Selection Minutes.

Assoc. Prof. Dr. Elif KARAHAN
Chair of the Commission

Reference: Your letter dated 08 January 2026 and numbered E-71504618-100-2600002698.

As the Exchange Programs Commission of our Faculty, we organized an Erasmus Staff Mobility Training for the academic staff of our Faculty on 24 October 2025, featuring Asst. Prof. Dr. Ahmet Yirmibeş as the invited speaker. A total of 21 academic staff members participated in the training.

On 31 December 2025, a KA171 Staff Mobility Training was organized for the academic staff of our Faculty, with Assoc. Prof. Dr. Hacer Yalnız Dilcen and Asst. Prof. Dr. Necmiye Çömlekçi serving as invited speakers. A total of 19 participants attended this training.

News regarding both events was published on the Faculty's official website and shared through its social media accounts.

It is recommended that the necessary initiatives be undertaken to increase the exchange program quotas available to our Faculty students.

I respectfully submit this information for your kind consideration.
