Job Description: To monitor graduates through the University's Alumni Information System, support their career and personal development, provide guidance to help them create new opportunities, and develop strategies to maintain effective communication with alumni.

Duties, Authorities and Responsibilities

- In cooperation with the University's Career Planning, Practice and Research Center:
- Maintain up-to-date Alumni Information System records, including graduates' contact information and career development.
- Organize activities for graduates of the Faculty's departments.
- Plan activities that strengthen graduates' sense of belonging to the Faculty and the University.
- Ensure that graduates evaluate the educational programs.
- Disseminate written and visual materials related to the Commission's activities.
- Cooperate with Departmental Alumni Commissions to maintain communication with graduates.
- Organize events bringing together alumni, current students, successful graduates, and professionals from industry.
- Collect feedback through the University's Alumni Satisfaction Survey.
- Prepare and submit a semester activity report to the Dean's Office.
- Carry out other duties assigned by the Dean's Office related to alumni tracking, development, and communication.
