Job Description: To organize, coordinate, implement and evaluate educational activities in accordance with the Bartın University Associate and Undergraduate Education and Examination Regulations. The Commission conducts studies to resolve and improve education-related issues and aims to continuously enhance educational quality.

Duties, Authorities and Responsibilities:

- Prepares reports and recommendations on the objectives, planning, implementation and development of the Faculty's educational activities.
- Conducts studies on opening departments/divisions, determining student quotas and evaluating educational facilities.
- Evaluates feedback received from faculty members and students.
- Evaluates Horizontal Transfer, Vertical Transfer and Central Placement applications.
- Evaluates exemption and course adaptation requests of transfer and exchange students.
- Evaluates exemption and adaptation requests of students returning under amnesty provisions.
- Assesses proposed departments and programs for compliance with the Faculty's educational principles.
- Eğitim programlarına alınacak öğrenci kontenjanlarını, öğretim elemanı yeterliliği, derslik/laboratuvar olanakları ve mezunların istihdamı gibi konuları dikkate alarak değerlendirir.
- Reviews the status and credit structure of proposed programs and courses.
- Evaluates closure of programs with insufficient student demand.
- Provides opinions on education-related regulations.
- Provides opinions on the principles of minor and double-major programs.
- Provides opinions on distance education programs and related protocols.
- Submits reports, recommendations and needs to the Dean's Office.
- Prepares and submits a semester activity report to the Dean's Office.
