**Job Description:** Mentors in the third and fourth years of the nursing program provide guidance to mentees in the first and second years, under the supervision of the responsible faculty members.

### **Duties, Powers, and Responsibilities:**

- Bartın University Nursing Department Peer Mentoring Working Group plans and conducts its activities according to the principles of the Peer Mentoring Working Group.
- The Peer Mentoring Working Group evaluates and plans applications from mentees and mentors, and provides feedback on student-mentor matchmaking.
- The Peer Mentoring Working Group ensures and monitors the pairing of students with the responsible faculty member within the group.
- The Peer Mentoring Working Group plans and implements the introduction of the program to Nursing Department students.
- The Peer Mentoring Working Group ensures and monitors the signing of the "Peer Mentoring Working Group Commitment Agreement" by the accepted mentee and mentor students.
- The program is run by ensuring that the relevant forms, approved by the Nursing Department, are completed.
- Ensures that meetings are conducted and reported in accordance with the Peer Mentoring Working Group Principles, and reviews the reports regularly.
- At the end of each academic year, the Peer Mentoring Working Group ensures that mentee and mentor students evaluate the program, analyzes the findings, and provides suggestions for improvement based on the report results.
- At the end of each academic year, they prepare an activity report and submit it to the Department Head.
