Job Description: To carry out activities in accordance with the Bartın University Quality Assurance Directive, which entered into force upon the decision of the Bartın University Senate dated 30 November 2018 (Decision No. 2018/17-01), with the aim of ensuring quality assurance within the Faculty.

Duties, Authorities, and Responsibilities:

- Conducts quality assurance activities for the evaluation and continuous improvement of the Faculty's education, research, and administrative services in line with its strategic plan and objectives.
- Supports the quality management system activities of the Faculty's academic and administrative units in coordination with the Quality Coordination Office.
- Encourages and supports departments in their accreditation processes.
- Promotes the adoption of a quality culture among all staff members.
- Contributes to the development of an institutional culture based on participation, efficient use of resources, process improvement, and high-quality service.
- Makes the necessary preparations for external evaluation processes.
- Evaluates and approves newly developed Faculty forms for compliance with quality assurance processes.
- Submits reports on Commission activities, recommendations, requests, and needs to the Dean's Office.
- Prepares and submits an end-of-semester presentation summarizing the Commission's activities to the Dean's Office.
