

BARTIN UNIVERSITY

FACULTY OF HEALTH SCIENCES

2020 PERFORMANCE PROGRAM INCLUDED IN THE STRATEGIC PLAN

FIRST 6-MONTH PERFORMANCE REPORT

Objective (A1)	Improving Student Success Through Student-Centered Education					
Target (H1.1)	The physical and academic infrastructure of education will be improved.					
Performance Indicators	To the target Effect (%)	Target 2020	What happened 2020	Realization in The situation	Explanation	Action Plan
PG1.1.1. Number of academic staff participating in trainer training.	30	11	0	Not reached		Training for instructors can be requested from the Bartın University Rectorate.
PG1.1.2. Adequacy level of educational tools and equipment (%)	30	60	60	Reached		
PG1.1.3. Student-to-faculty ratio.	20	20	10.14	Reached	71 students and 7 faculty members	
PG1.1.4. Student-to-faculty ratio.	20	10	7.1	Reached	71 students and 10 faculty members	

Objective (A1)	Improving Student Success Through Student-Centered Education					
Target (H1.2)	Education and training programs will be improved.					
Performance Indicators	To the target Effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation	Action Plan
PG1.2.4. Course updated in line with stakeholder and community expectations. number of programs	30	2	3	Reached	Course information packages were updated for the Spring 2020 semester. Double major and minor studies have been completed. An elective course has been added to the Nursing Department Curriculum.	
PG1.2.5. Courses delivered via distance learning. number	30	8	10	Reached	Due to the Covid-19 pandemic, all classes were delivered remotely.	
PG1.2.6. Frequency of review and updating of course information packages.	40	2	1	Reached	The course information packages included in the Curriculum have been reviewed and updated.	It is recommended that updates be made before the start of the 2020-2021 academic year fall semester.

Objective (A1)	Improving Student Success Through Student-Centered Education				
Target (H1.3)	The qualifications of undergraduate students coming to our university will be improved.				
Performance Indicators	To the target Effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation
PG1.3.1. Average of students' university entrance exam scores	30	290	----	----	The minimum entrance scores for university entrance exams for 2020-2021 have not yet been announced.
PG1.3.3. Ratio of the number of admitted students to the number of available places (%)	70	100	----	----	The 2020-2021 university placement results have not yet been announced.

Objective (A1)	Improving Student Success Through Student-Centered Education					
Target (H1.4)	Guidance and counseling services for students will be improved.					
Performance Indicators	To the target Effect (%)	Aim 2020	What happened 2020	Realization The situation	Explanation	Action Plan
PG1.4.2. Number of students per advisor at the undergraduate level.	50	10	17.75	Not reached	71 students, 4 advisors	Faculty Member of the squad It is recommended to increase it.
PG1.4.4. Student satisfaction level with administrative staff services (%)	25	51	----	-----	Satisfaction survey results have not been released.	
PG1.4.5. Student satisfaction level with academic counseling services (%)	25	60	-----	-----	Satisfaction survey results have not been released.	

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (H2.1.)	Research infrastructure will be improved.					
Performance Indicators	To the target Effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation	Action Plan
PG2.1.4. Number of auxiliary academic staff involved in R&D activities.	30	1	0	Not reached		It is recommended that efforts be made to increase awareness of the project.
PG2.1.6. Creating an infrastructure project for research purposes.	20	0	0	----		
PG2.1.7. Number of activities in which faculty members participate to improve their research competencies.	50	2	12	Reached	- Training on Multiple Choice Question Preparation Techniques; - Statistics Training; - - Systematic Review Writing Course (Online); - Academic Level Project Cycle Management: Preparation, Implementation and Completion Processes Training; -Research Quality and Performance Training; -Web of Science Core Collection Training; -Patent Awareness Training; -Effective Research Preparation- Elsevier; -Effective Scientific Writing: Increasing Scientific Visibility and Impact- Elsevier; -Discovery Begins Here!-Web of Science Group; -Research Quality and Performance: InCites & Journal -Citation Reports Web of Science Group; - Elsevier 5W1H EKUAL Seminar - Effective Literature Screening/Tracking Techniques;	

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.				
Objective (H2.2.)	The number of scientific research projects carried out at our university will be increased.				
Performance Indicators	To the target Its effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation
PG2.2.1. Number of public or private sector funded research projects.	50	1	5	Reached	-3 units of TÜBİTAK 2209 A -Bartın University BAP -Bülent Ecevit University BAP
PG2.2.4. Number of completed scientific research projects: 40		0	0	----	
PG2.2.5. Number of interdisciplinary R&D projects.	10	0	0	-----	

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (H2.3.)	To enable our university researchers to participate in national and international scientific events.					
Performance Indicators	To the target Effect (%)	Target 2020	What happened 2020	Realization in The situation	Explanation	Action Plan
PG2.3.1. Number of faculty members benefiting from international exchange programs	50	2	0	Not reached	Mobility was not possible due to the COVID-19 pandemic.	
PG2.3.2. Scientific activities with active participation of faculty members. number	30	3	11	Reached	- Training on Multiple Choice Question Preparation Techniques; -Statistics Training; -YÖKAK Evaluator Training Program; -Project Cycle Management at the Academic Level: Training on Preparation, Implementation, and Completion Processes; -Research Quality and Performance Training; -Web of Science Core Collection Training; - SABAK Webinar: Quality Assurance and Accreditation Training in Health Sciences; -Patent Awareness Training; -Academic Writing: How to Write a High-Quality Essay; -Online conference participation 7th International Conference On Education, Social Sciences And Humanities. 15 17 June, 2020 Istanbul; -Nurses Memorial Candlelight Vigil 2020	
PG2.3.3. Number of faculty members going abroad for research purposes.	20	0	0	-----		

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.				
Target (H2.5.)	The number and quality of publications will be increased at both national and international levels.				
Performance Indicators	To the target Its effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation
PG2.5.1. Total number of scientific publications	20	4	13	Reached	-Dolu İ., Nahcivan N. Feasibility of the duration of actigraphy data to illustrate circadian rhythm among cognitively intact older people in nursing home: cosinor analysis. Sleep and Biological Rhythms. Volume: 18 Issue: 1 Pages: 59-64. DOI: 10.1007/s41105-019-00245-w (JAN 2020). -Dolu İ., Nahcivan N. How Manage Older Adults' Sleep Disturbance? --	----	---	------	---------	--

Objective (A3)	To promote entrepreneurial and innovative activities throughout the university and To institutionalize			
Target (H3.1)	The aim is to improve education and training activities related to entrepreneurship.			
Performance Indicators	Impact on Target (%)	Target 2020	Actual 2020	Status of occurrence
PG3.1.2. Number of courses on innovation and entrepreneurship.	100	2	2	Reached

Objective (A3)	To promote and institutionalize entrepreneurial and innovative activities throughout the university.					
Target (H3.4)	Activities that promote students' personal and social development will be increased.					
Performance Indicators	To the target Effect (%)	Aim 2020	What happened 2020	Realization The situation	Explanation	Action Plan
PG3.4.1. Number of activities organized for the personal and social development of students.	35	2	2	Reached	Training on combating substance abuse has been provided. Meetings were organized to increase interaction between international and Turkish students.	
PG3.4.2. Number of active members in student clubs.	25	2	0	Not reached		It is recommended that student clubs be established and that students be encouraged to become members.
PG3.4.3. Number of annual activities of student clubs.	40	2	0	Not reached		It is recommended that student clubs actively carry out their activities.

Purpose (A4)	Increasing Social, Cultural and Scientific Activities Aimed at Regional Development					
Target (H4.1)	The university's national and international scientific activities will be increased.					
Performance Indicators	To the target Its effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation	Action Plan
PG.4.1.1. Number of national scientific events organized.	100	2	0	Not reached.	Planned events have been postponed due to the COVID-19 pandemic.	Postponed due to the COVID-19 pandemic "Early Diagnosis and Treatment Practices in Cancer" "Healthcare Services with Artificial Intelligence Applications" "Reshaping" panels; Ways to Empower Ourselves Turkish Art events in honor of Midwives, Pregnant Women, Postpartum Women, and Babies – Let's Join Hands – and Nurses' Week. Music Choir It is recommended that the event be held by the end of 2020.

Purpose (A4)	Increasing Social, Cultural and Scientific Activities Aimed at Regional Development				
Target (H4.3)	The university's social and cultural activities will be increased.				
Performance Indicators	To the target Effect (%)	Target 2020	Events that took place in 2020	Realization The situation	Explanation
PG4.3.1 Number of events organized with the aim of contributing to society.	100	2	3	Reached	Training on Ways to Empower Yourself within the Social Security Institution Child Neglect and Abuse Training for High School Teachers Our faculty and Bartın Health Services Vocational School students received training on combating substance abuse.

Purpose (A4)	Increasing Social, Cultural and Scientific Activities Aimed at Regional Development				
Target (H4.4)	Activities aimed at the development and progress of the region will be increased.				
Performance Indicators	To the target Effect (%)	Target 2020	Actual 2020	Status of Achievement	Explanation
PG4.4.1 Number of projects prepared for the region.	30	0	0	----	
PG4.4.5. Number of collaborative projects with institutions in the region.	70	0	1	Reached	Training on Combating Substance Abuse was provided in cooperation with the Provincial Health Directorate.

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure				
Target (H5.3)	Stakeholders will be ensured to participate effectively in decision-making processes.				
Performance Indicators	To the target Effect (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation
PG5.3.1. Number of academic staff attending meetings held in the units.	30	4	187	Reached	Thirty-eight academic staff members attended the nine Department Board meetings. Seven academic staff members attended the two Advisory Board meetings. 49 academic staff members attended the Faculty Board meeting. Sixty-one academic staff members attended seven Academic General Assembly meetings. Thirty-two academic staff members attended the five Faculty Board meetings.
PG5.3.3. Number of students attending meetings held in the units.	70	30	204	Reached	The number of students who attended the meeting regarding students' social integration processes was 68. The Nursing Department Head's end-of-term online evaluation meeting was attended by 30 students. The Dean's Office held an online end-of-term evaluation meeting, with 35 students participating. The Dean's office held a semester-opening evaluation meeting, which was attended by 68 students. The student representative attended two Advisory Board meetings. A student representative attended a Department Board meeting.

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure				
Target (H5.4)	The university's national and international recognition will be increased.				
Performance Indicators	Impact on Target (%)	Aim 2020	Events that took place in 2020	Realization The situation	Explanation
PG5.4.1. Number of promotional events, brochures, catalogs, etc.	100	1	0	Not reached	In line with the 2020 target, it is recommended that the activities promoting the Faculty be completed.

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure				
Target (H5.5)	A culture of quality will be promoted within the organization.				
Performance Indicators	To the target Its effect (%)	Aim 2020	Events that took place in 2020	Status Explanation	
PG5.5.2. Quality culture number of training activities conducted	100	5	6	Reached	Training on multiple-choice question preparation techniques; Open Access education; Training for the distance education process; Discussion of the YÖK report card. Discussion of the results of course evaluation surveys. Preparation of the Nursing Department's strategic plan.
