BARTIN UNIVERSITY
FACULTY OF HEALTH SCIENCES
PERFORMANCE PROGRAM FOR THE
FIRST 6 MONTHS OF 2021 AS STATED IN THE STRATEGIC PLAN
IMPLEMENTATION REPORT

Objective (A1)		Improving Student Success Through Student-Centered Education				
Target (H1.1)		The physical and academic infrastructure of education will be improved.				
Performance Indicators	To the target Effect (%)	Target 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG1.1.1. Academic staff participating in trainer training number	30	14	12	Not reached	1. Training Course for Healthcare Providers on Preventing Child Marriage, April 21, 2021, Ebru Cirban Ekrem, United Nations Population Fund and Public Health Professionals Association. 2. "Sexual and Reproductive Health in Disasters and Emergencies: Minimum Initial Service Package (MISP)" for Healthcare Professionals, March 24-26, 2021, Ebru Cirban Ekrem, United Nations Population Fund and Public Health Professionals Association. 3. Measurement and Evaluation in Healthcare Professional Training Course, Çevik, Merve Continuing the participation of academic staff in trainings Kırşan Büyüktarakçı, MARSEV. 4th Measurement and Evaluation Course in Healthcare Professional Education, March 20-21, 2021, Necmiye Çömlekçi, Eda Kes, MARSEV. 5. Developing Learner-Centered Learning Strategies, April 16, 2021, Sevim Çelik, Ayfer Bayındır Çevik, Akdeniz University. 6. Measurement and Evaluation in Distance Education, February 26, 2021, Ayfer Bayındır Çevik, Ebru Cirban Ekrem, Eda Kes, Zeynep Turhan, Sinan Acar, Bartın University.	January 16-17, 2021, Ayfer Bayındır It is recommended.

					7. 16th Wound Care Course, April 16-17, 2021, Özge Uçar, Merve Kıryan Büyüktarakçı, Wound Care and Repair Association. 8. 2021 Institutional External Evaluation, Institutional Accreditation and Monitoring Programs Field Preparation Training Program, June 14-15, 2021, Sevim Çelik, YÖKAK (Council of Higher Education). 9. The COVID-19 Pandemic in the World and in Our Country The first National Nursing Congress of Istanbul Yeni Yüzyıl University, themed "Impacts on Nursing and Nursing Vision," June 14-16, 2021, Sevim Çelik, Ebru Cirban Ekrem, Istanbul Yeni Yüzyıl University, Republic of Turkey. 10. Strategic Goal and Indicator Preparation, Online Training, January 28, 2021, Zeynep Turhan. 11. Publishing Academic Books with Springer, Webinar, 16 February 2021, Zeynep Turhan. 12. Strategies for Publishing in Reputable International Journals, May 27, 2021, Ferda Karadağ.	
PG1.1.3. Adequacy level of educational tools and equipment (%)	30	100	60	Not reached	Our educational equipment is located in our anatomy lab, nursing skills lab, 9 classrooms, and printing room.	The procurement process for educational equipment is ongoing.
PG1.1.4. Student-to-faculty ratio.	20	25	17	Reached	170 students and 10 faculty members	
PG1.1.5. Student-to-faculty ratio.	20	20	8.5	Reached	170 students and 20 faculty members	

Objective (A1) Improving Student Success Through Student-Centered Education						
Target (H1.2)	Education and training programs will be improved.					
Performance Indicators	To the target Effect (%)	Target 2021	The event took place in 2021.	Status of occurrence	Explanation	Action Plan
PG1.2.1. Number of students participating in minor programs.	10	1	0	Not reached		It has been suggested that students be informed about and encouraged to pursue minor programs.
PG1.2.2. Number of students participating in the double major program.	10	1	2	Reached	1. Esma Yalçın (Molecular Biology and Genetics) 2. Cavide Sağlök (Molecular Biology and Genetics)	
PG1.2.3. Number of students graduating from double major programs.	10	0	0	----		
PG1.2.4. Number of updated curriculum items in line with stakeholder and community expectations.	30	3	0	Not reached		It has been suggested that the curriculum be updated in line with stakeholder and community expectations.
PG1.2.5. Courses delivered via distance learning. number	20	20	11	Not reached	1. HEM 104 Histology 2. HEM 106 Basic Principles and Practices in Nursing Health 3. HEM 108 Assessment 4. HEM 110 Communication in Nursing 5. HEM 202 Surgical Diseases Nursing 6. HEM 204 Infectious Diseases Nursing	The target is expected to be reached in the Fall semester of 2021-2022.

					7. HEM 205 Internal Medicine Nursing 8. HEM 206 First Aid and Emergency Nursing Care 9. HEM 228 Addiction Treatment 10. HEM 314 Health Policies 11. HEM 317 Sexual Health	
PG1.2.6. Frequency of review and updating of course information packages.	20	3	1	Not reached	The Nursing Department course information package was reviewed during the Spring semester of the 2020-2021 academic year.	It is recommended that the document be reviewed and updated as needed before the start of the 2021-2022 academic year's fall semester.

Objective (A1)		Improving Student Success Through Student-Centered Education				
Target (H1.3)		The qualifications of undergraduate students coming to our university will be improved.				
Performance Indicators	To the target Its effect (%)	Aim 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG1.3.1. Average of students' university entrance exam scores	30	330	---	---	---	The minimum entrance scores for university entrance exams for 2021-2022 have not yet been announced.
PG1.3.3. Ratio of the number of admitted students to the number of available places (%)	70	100	---	---	---	The 2021-2022 university placement results have not yet been announced.

Objective (A1)	Improving Student Success Through Student-Centered Education					
Target (H1.4)	Guidance and counseling services for students will be improved.					
Performance Indicators	Impact on Target (%)	Aim 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG1.4.1. Students who have benefited from psychological counseling services. number	10	21	0	Not reached		It is recommended that students be informed about psychological counseling services.
PG1.4.2. Students per advisor at the undergraduate level. number	25	25	24.29	There are currently 170 students and 7 advisors.		
PG1.4.3. Graduate students per advisor. number	20	0	0	----		
PG1.4.4. Student satisfaction level with administrative staff services (%)	20	80	----	----	Satisfaction survey results have not been released.	
PG1.4.5. Student satisfaction level with academic counseling services (%)	25	85	----	----	Satisfaction survey results have not been released.	

Objective (A1)	Improving Student Success Through Student-Centered Education					
Target (H1.5)	Accessibility for students with disabilities in physical, educational, and social areas will be increased.					
Performance Indicators Target	Effect (%)	Aim 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG1.5.4. Number of all types of social, cultural, sporting and educational activities related to people with disabilities.	100	3	2	Not Reached	1st Disabled Mother-Disabled Child Symposium, May 2021, Bartın University Faculty of Health Sciences, Prof. Dr. Sevim Çelik, Lecturer Ebru Cirban Ekrem, Lecturer Aylin Kurt. (Note: 10 academic staff members' involvement in all kinds of social, cultural, sporting and educational activities related to disabled people.) It is recommended that the organization of the 2nd April World Autism Awareness Day Webinar be encouraged. April 2, 2021, Bartın University, Faculty of Health Sciences, Dr. Zeynep Turhan.	

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (H2.1.)	Research infrastructure will be improved.					
Performance Indicators	To the target Effect (%)	Aim 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG2.1.3. Activities aimed at improving the research competencies of faculty members. number	30	1	0	Not reached		Regarding organizing activities aimed at improving the research competencies of faculty members It is recommended that this be encouraged.
PG2.1.4. Number of auxiliary academic staff involved in R&D activities.	30	0	0	---		
PG2.1.5. Number of academic staff participating in activities to increase the effectiveness of the Project and Technology Office.	20	14	2	Not Reached	1. Measurement and Evaluation in Distance Education, Online Education, 26.02.2021 Dr. Lecturer Zeynep Turhan, Dr. Lecturer Sinan Acar 2. Strategic Goal and Indicator Preparation, Online Training, January 28, 2021, Dr. Zeynep Turhan	It is recommended that participation to be efforts be made done to increase the number of projects.
PG2.1.6. Number of activities in which faculty members participate to improve their research competencies.	20	29	15	Not reached	1. Webinar on TÜBİTAK International Bilateral Cooperation/1001 Project Experiences in the Field of Nursing. June 11, 2021, Sevim Çelik, Özge Uçar, İlknur Dolu, Elif Karahan, Merve Kıryan Büyüktarakçı, Ebru Cırbaz Ekrem. Akdeniz University, Faculty of Health Sciences. Faculty 2. Strategies for Publishing in Reputable International Journals. May 27, 2021. Elif Karahan, Sibel	It is recommended that faculty members be encouraged to participate in activities aimed at improving their research skills.

					Köstekli, Ebru Cirban Ekrem, Ayfer Bayındır Çevik, SOBİAD Academy 3. Quantitative Research Methods: Experimental Designs. June 30, 2021. Sevim Çelik. SOBİAD Academy. 4. Developing Learner-Centered Learning Strategies. April 16, 2021. Sevim Çelik. HEPDAK 5. Online Basic Statistical Data Analysis Training with R. March 27-28-29-30, 2021. Aylin Kurt. Istar Research Training Consultancy. 6th Wiley Writers' Workshop. May 3, 2021. Aylin Kurt, in collaboration with Necmettin Erbakan University and Wiley. 7th Proquest Author Workshop: Tips for Writing Theses and Journal Articles. February 2, 2021. Ebru Cirban Ekrem, Merve Kıryan Büyüktarakçı, Proquest. 8. Online Systematic Review and Meta-Analysis Training. January 29-30-31, 2021. Merve Kıryan Büyüktarakçı. İstar Research, Training and Consulting. 9. Proquest Dissertations & Theses Online Training, January 27, 2021. Merve Kıryan Büyüktarakçı. Proquest Education. 10. Problems Encountered in Scale Development and Adaptation Processes. June 26, 2021. Ebru Cirban Ekrem. Istar Consulting. 11th Systematic Review and Meta-Analysis and Publication Preparation Course. February 18, 2021. Ayfer Bayındır Çevik. Adnan Menderes University. 12. Web of Science Core Collection: Discovery Starts Here!. 6 May 2021. Ayfer Bayındır Çevik. Web of Science 13. Strategies for Writing Articles to SSCI-Indexed Journals in the Field of Nursing and Academic Writing Training. 13.03.2021. Necmiye Çömlekçi. AYEUM. 14th Advanced Biostatistics Course, May 23, 2021. Necmiye Çömlekçi. Feyza Demir. Aegean Perinatology Association. 15th Online Qualitative Research Methods Training, April 16-17-18, 2021, Research Assistant Ebru Sert, Istar Consulting.

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (H2.2.)	The number of scientific research projects carried out at our university will be increased.					
Performance Indicators	To the target Effect (%)	Target 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG2.2.1. Number of public or private sector funded research projects.	30	8	0	Not reached		It is recommended that academic staff be encouraged to participate in project applications.
PG2.2.2. Number of students involved in national and international projects.	30	25	0	Not reached		It is recommended that students be encouraged to participate in project applications.
PG2.2.3. Number of internationally partnered/ supported projects.	10	0	0	----		
PG2.2.4. Completed scientific number of research projects	20	5	0	Not reached		It is recommended that academic staff be encouraged to participate in project applications.
PG2.2.5. Number of interdisciplinary R&D projects.	10	0	0	----		

Objective (A2)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (H2.3.)	To enable our university researchers to participate in national and international scientific events.					
Performance Indicators	To the target Its effect (%)	Aim 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG2.3.1. Number of faculty members participating in international exchange programs.	50	0	0	----		
PG2.3.2. Number of scientific events in which faculty members actively participate.	30	15	55	Accessed 1.	Karahan, E., Köstekli, S., Uçar Ö. PG4.3.4. Stakeholders' (unit students') use of library services number of users	60	70	10	Ten of our students have used library services, but this information is unavailable .	It is recommended that students be encouraged to utilize library services.	

Purpose (A4)	Increasing Social, Cultural and Scientific Activities Aimed at Regional Development					
Target (H4.4)	Activities aimed at the development and progress of the region will be increased.					
Performance Indicators	To the target Effect (%)	Target 2021	What happened 2021	Realization The situation	Explanation	Action Plan
PG4.4.1 Number of projects prepared for the region.	25	0	0	---		
PG4.4.3. Number of social responsibility projects.	25	0	0	---		
PG4.4.4. Total number of activities related to environmental awareness.	25	2	5	Reached	In 2021, 5 (five) of our personnel received information during their orientation training.	
PG4.4.5. Number of collaborative projects with institutions in the region.	25	0	0	----		

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure					
Target (H5.1.)	Relationships will be developed with our university alumni.					
Performance Indicators	Impact on Target (%)	Target 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG5.1.1. Number of students registered in the alumni information system.	50	0	0	---		
PG5.1.2. Number of activities for graduates	50	0	0	---		

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure					
Target (H5.3)	Stakeholders will be ensured to participate effectively in decision-making processes.					
Performance Indicators	To the target Its effect (%)	Target 2021	The event took place in 2021.	Realization The situation	Explanation	Action Plan
PG5.3.1. Number of academic staff attending meetings held in the units.	50	20	20	Attendance	at Academic General Assembly meetings and Department Board meetings has been achieved.	
PG5.3.2. Number of administrative staff attending meetings held in the units.	25	5	5	It has been reported that	5 staff members attended the Faculty administrative staff meetings, 1 staff member attended the Nursing Department meetings, 1 staff member attended the Social Work Department meetings, and 1 staff member attended the Academic General Assembly meetings.	
PG5.3.3. Number of students attending meetings held in the units.	25	250	170	Academic General Assembly meeting, Advisory Board, and beginning and end-of-term evaluation meetings with students were attended but not reached .	It is expected that the goal will be achieved in the Fall semester of the 2021-2022 academic year with the participation of first-year students.	

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure					
Target (H5.4)	The university's national and international recognition will be increased.					
Performance Indicators	To the target Effect (%)	Aim 2021	What happened 2021	Realization The situation	Explanation	Action Plan
PG5.4.1. Number of promotional events, brochures, catalogs, etc.	25	9	1	Social Services Promotional Video	(Not Reached): 3 Questions, 3 Answers	In line with the 2021 target, it is recommended that the activities promoting the Faculty be completed.
PG5.4.2. Number of news items about the unit in print, visual and social media.	25	21	27	Our website	currently features 3 news items in January, 2 in February, 7 in March, 7 in April, 5 in May, and 3 in June.	
PG5.4.3. Number of times faculty web pages are viewed.	25	20000	10.991	Not reached		The target is expected to be reached in the second half of the year.
PG5.4.5. Ratio of foreign students to total student population (%)	25	18	24.12	Reached	The total number of students is 170, and 41 of them are foreign students.	

Objective (A5)	Developing Corporate Culture Through Participatory Management and Organizational Structure					
Target (H5.5)	A culture of quality will be promoted within the organization.					
Performance Indicators	To the target Its effect (%)	Aim 2021	What happened 2021	Realization The situation	Explanation	Action Plan
PG5.5.2. Number of training activities conducted to promote quality culture.	60	8	1	Eda Kes could not be reached . Risk Commission Meeting, Risk. Management Training, April 19, 2021.		It has been suggested that training activities aimed at fostering a culture of quality should be increased.
PG5.5.4. Number of students from international exchange programs.	20	0	0	---		
PG5.5.5. Number of students participating in international exchange programs.	20	0	0	---		

Purpose (6)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (6.1.)	The number and quality of publications will be increased at both national and international levels.					
Performance Indicators	To the target Effect (%)	Target 2021	What happened 2021	Realization The situation	Explanation	Action Plan
PG6.1.1. Number of articles published in Web of Science or Scopus-categorized journals in the faculty.	40	26	11	Not available 1.	1. Köstekli, S., Çelik, S., Keskin, E. (2021). Effects of deep and superficial endotracheal aspiration on hemodynamic parameters and pain in neurosurgical intensive care patients. Marmara Medical Journal (ESCI). 2. Kes, D. Kes, E. (2021). The experiences of intensive care nurses during the COVID-19 pandemic: A qualitative study, Intensive and Critical Care Nursing. 3. Fidan, E., Çelik, S. (2021). Factors affecting medical healthcare-seeking behaviors of female patients according to their stage of being diagnosed with breast cancer. Eur J Cancer Care (Engl)doi:10.1111/ecc.13436 (Q1). 4. Kes, D, Çetin, E., Çelik, S. (2021). The effectiveness of using text messages on nurses' interpretation skill of arrhythmia. Nursing in critical care. (Q1). 5. Cirban Ekrem, E., Kilci Erciyas, Y. (2021). Covid-19 And Nurses' Quality Of Sexual Life, Florence Nightingale Faculty of Nursing Journal. 6. Cirban Ekrem, E., Özsoy, S. (2021). Relationship of Sexual Myths with Menopausal Attitudes and Symptoms in Postmenopausal Women, Climacteric. 7. Kyr̄yan Büyüktarakçȳ, M., Cirban Ekrem,E., Çelik, S. (2021). Distance Education Perceptions Of The Faculty Members Of The Department Of Nursing, Journal of Nursing Research. 8. Cirban Ekrem, E., Kilci, Y. (2021). Covid-19 And Nurses' Quality of Sexual Life. Erciyas, Journal of Nursing Research. 9. Turkmen H, Yalnȳz Dilcen H, Aslantekin Özçoban F. (2020): Traumatic childbirth perception during pregnancy and the postpartum period and its postnatal mental health outcomes: a prospective longitudinal study, Journal of Reproductive Infant Psychology, DOI: and	It has been suggested that the number and quality of publications should be increased.

Purpose (6)	To improve scientific research and publication activities in terms of quality and quantity.					
Objective (6.2.)	The number of projects carried out within the unit will be increased.					
Performance Indicators	To the target Effect (%)	Target 2021	What happened 2021	Realization The situation	Explanation	Action Plan
PG6.2.1. Presented by faculty members in the faculty TÜBİTAK project number	30	4	2	Not reached	1. Sevim Çelik, Ayfer Öztürk, Ramazan Yılmaz, Sinem Tarhan, Aylin Kurt, Eda Kes. (2021). It is planned to reach the target in the second six months. The Impact of Multidimensional Model Application on Reducing Problematic Technology Use, 1001 TÜBİTAK Scientific and Technological Research Projects Support Program. 2. Zeynep Turhan. (2021). Implementation of a Healthy and Respectful Relationships Program for Men Who Commit Violence Against Their Wives. TÜBİTAK 3501 Career Development: Project ID: 612714	
PG6.2.2. Number of TÜBİTAK faculty projects accepted in the faculty	20	0	0	---		
PG6.2.3. Number of TÜBİTAK student projects submitted to the faculty	30	5	0	Not reached		It was suggested that awareness of the project be increased and student participation be encouraged.
PG6.2.4. TÜBİTAK student project accepted at the faculty number	20	4	1	Not reached	Yıldırım Dolu. (2021). Increasing Awareness of Volunteer Male Nursing Project Activities and the Impact of Student Activities on the Image of Male Nurses in Society, Encouraging the Participation of University Students in Research Projects Support Program, 2209-A.	It has been suggested.

Performance Indicators	Target 2021	What happened 2021	Realization The situation	Explanation	Action Plan
Number of student clubs	1	0	Not reached	Student club activities could not be held due to COVID-19.	When face-to-face education resumes, it is recommended that students be encouraged to participate in club activities.
Number of sports teams	2	0	Not reached	Student sports activities could not be held due to COVID-19.	It is recommended that students be encouraged to participate in sports activities when in-person learning resumes.
Number of First Aid training centers	0	0	----		
Prenatal Number of Education Classrooms	0	0	----
