FACULTY OF HEALTH SCIENCES
STRATEGIC PLAN
2023 ANNUAL ACHIEVEMENT REPORT

Objective (A1)	Improving Student Success Through Student-Centered Education					
Target (H1.1)	The physical and academic infrastructure of education will be improved.					
Performance Indicators	To the target Its effect (%)	Aim 2023	What happened 2023	Realization The situation	Explanation	Action Plan
PG1.1.1. Trainers participating in training academic staff number	30	22	32	Reached	1. Fatma DYNÇ 1.1. 2023 Trainer Training, January 2, 2023, Fatma Dinç, Selçuk University, SELÇUKSEM 1.2. Training of Trainers, September 18-22, 2023, Bartın University Training of Trainers Program 2. Burcu KÜÇÜKKAYA 2.1. Mother-Infant Communication and Haptonomics Study, May 22-29, 2023, Burcu Küçükkaya, Prof. Dr. Gülay Rathfisch 2.2. In Academia Current Learning and Teaching Approaches and Practices Training, September 22-23 2023, Eskişehir Technical University 2.3. Teaching the Project-Based Learning Approach Impact on Processes, September 18, 2023, Bartın University Quality Coordination Office 2.4. Learner-Centered Teaching Methods and Techniques: Practical Demonstration of Two Current Methods, 18 University, September 2023 Bartın Quality Coordination 2.5. Curriculum Development in Education: Course Information Package and	

					Curriculum Preparation, September 18, 2023, Bartın University Quality Coordination Office 2.6. Innovations in the Use of Instructional Technology: Virtual Reality Applications and Metaverse, September 19, 2023, Bartın University Quality Coordination Office 2.7. Use of Artificial Intelligence Applications in Education, September 19, 2023, Bartın University Quality Coordination Office 2.8. Digital Material Design for Effective Teaching, 19th University 2023, Quality Coordination Office, September 2.9. Effective Communication Skills, September 20, 2023, Bartın University Quality Coordination Office 2.10. Classroom Management and Current Practices, September 20, 2023, Bartın University Quality Coordination Office 2.11. Points to Consider in Measurement and Evaluation, September 21, 2023, Bartın University Quality Coordination Office 2.12. What is the Step-by-Step Distance Assessment Portal? How is it Used in Learning and Teaching?, September 21, 2023, Bartın University Quality Coordination Office 2.13. Course File Preparation: Lecture Based on a Sample Course File, September 21, 2023, Bartın University Quality Coordination Office 2.14. Points to Consider in Measurement and Evaluation, September 21, 2023, Bartın University Quality Coordination Office 2.15. How Should Adult Education and Management Be in a University?, September 22, 2023, Bartın University Quality Coordination Office 3. Ebru CıRBAN EKREM 3.1. Mother-Infant Communication and Haptonomics Study, May 22-29, 2023, Ebru Cirban Ekrem, Prof. Dr. Gülay Rathfisch

					3.2. Teaching with a Project-Based Learning Approach Impact on Processes, September 18, 2023, Bartŷn University Quality Coordination Office 3.3. Learner-Centered Teaching Methods and Techniques: Practical Demonstration of Two Current Methods, 18 September 2023, Bartŷn University, Quality Coordination 3.4. Curriculum Development in Education: Course Information Package and Curriculum Preparation, September 18, 2023, Bartŷn University Quality Coordination 3.5. Innovations in the Use of Instructional Technology: Virtual Reality Applications and the Metaverse, September 19 2023, Bartŷn University Quality Coordination Office 3.6. The Use of Artificial Intelligence Applications in Education, September 19, 2023, Bartŷn University Quality Coordination 3.7. Digital Material Design for Effective Teaching, 19 University, September 2023 Bartŷn Quality Coordination 3.8. Effective Communication Skills, September 20, 2023, Bartŷn University Quality Coordination Office 3.9. Classroom Management and Current Practices, September 20 2023, Bartŷn University Quality Coordination Office 3.10. Points to Consider in Measurement and Evaluation Requirements, September 21, 2023, Bartŷn University Quality Coordination 3.11. What is the Step-by-Step Remote Assessment Portal? Learning and How to Use It in Education, September 21, 2023, Bartŷn University Quality Coordination Office 3.12. Preparing Lesson Files: Sample Lesson File Narrated from above, September 21, 2023, Bartŷn University Quality Coordination Office 3.13. Points to Consider in Measurement and Evaluation Requirements, September 21, 2023, Bartŷn University Quality Coordination 3.14. How to Implement Adult Education and Management at University

					6. Feyzan GARÿP 6.1. Learning and Teaching Support Systems in Nursing Programs: Program Examples, Nursing Education Programs Evaluation and Accreditation, April 12, 2023, HEPDAK 7. Sibel ALTINTAÿ 7.1. Trainer Training, February 7, 2023, Sibel Altÿntaÿ, Selçuk University Continuing Education Center 7.2. Digital Material Design for Effective Teaching, September 19, 2023, University Coordination Bartÿn Quality 7.3. Course File Preparation: Lecture Based on a Sample Course File, September 21, 2023, Bartÿn University Quality Coordination Office 7.4. How Should Adult Education and Management Be in Universities?, September 22, 2023, Bartÿn University Quality Coordination Office 7.5. Classroom Management and Current Practices, September 20, 2023, Bartÿn University Quality Coordination Office 7.6. Innovations in the Use of Instructional Technology: Virtual Reality Applications and METAVERSE, September 19, 2023, Bartÿn University Quality Coordination Office 7.7. The Use of Artificial Intelligence Applications in Education, September 19, 2023, Bartÿn University Quality Coordination Office 7.8. Points to Consider in Measurement and Evaluation, September 21, 2023, Bartÿn University Quality Coordination Office 7.9. Curriculum Development in Education: Course Information Package and Syllabus Preparation, September 18, 2023, Bartÿn University Quality Coordination Office 7.10. Teaching the Project-Based Learning Approach	
--	--	--	--	--	---	--

					Impact on Processes, September 18, 2023, Bartın University Quality Coordination Office 8. Hanifi DÜLGER 8.1. OneDrive and Cloud Technologies Usage Training, March 10, 2023, Bartın University Personnel Department 8.2. The Impact of Project-Based Learning Approach on Teaching Processes, September 18, 2023, Bartın University Quality Coordination Office 8.3. Digital Material Design for Effective Teaching, 19th University 2023, Quality Coordination Office, Bartın September 8.4. Use of Artificial Intelligence Applications in Education, within the scope of the 2023 Train-the-Trainer activities, September 19, 2023, Bartın University Quality Coordination Office. 8.5. Classroom Management and Current Practices, September 20, 2023, Bartın University Quality Coordination Office 8.6. Preparing Course Files: Lectures Based on Sample Course Files, September 21, 2023, Bartın University Quality Coordination Office. 8.7. Points to Consider in Measurement and Evaluation, September 21, 2023, Bartın University Quality Coordination Office. 8.8. 8.9. How Should Adult Education and Management Be in Universities?, September 22, 2023, Bartın University Quality Coordination Office. 9. Yeliz ÇAKIR KOÇAK 9.1. Training of Trainers on "Working with Young People on Safe Relationships: What's What? Dissemination Workshop" on Dating Violence, January 23-27, 2023, Eskişehir Municipality and the Prevention of Sexual Violence.
