

FROM THE RECTORATE OF BARTIN UNIVERSITY

Bartın University Graduate School will admit international students for Master's (thesis, non-thesis) and Doctoral programs in the following departments for the Spring Semester of the 2025-2026 Academic Year.

Candidates are required to fill out the online application form accurately by entering their information via the "MENU", "APPLICATION PROCEDURES", and "[INTERNATIONAL STUDENT GRADUATE SCHOOL APPLICATION](http://ubys.bartın.edu.tr/)" sections on the website <http://ubys.bartın.edu.tr/> between October 12 and December 12, 2025 (until 11:59 PM).

Details regarding the final registration process are provided below. Candidates who provide incomplete or incorrect information during the application will not be allowed to complete their final registration. Applicants may submit only one application per program type (one Master's with thesis, one non-thesis Master's, and one doctoral program).

Sincerely,

MASTER PROGRAMS (WITH THESIS)		
DEPARTMENT OF	QUOTA	SPECIAL CONDITIONS

NON-THESIS MASTER'S PROGRAMS		
DEPARTMENT OF	QUOTA	SPECIAL CONDITIONS
EDUCATIONAL SCIENCES LIFELONG LEARNING AND ADULT EDUCATION	5	To have a bachelor's degree.

A) Requirements for the master's Program with Thesis

- a) To have a bachelor's degree,
- b) Verification of Turkish proficiency is not required for the application. Candidates who possess a Turkish proficiency certificate will be eligible for final registration. Those without a Turkish proficiency certificate will be granted a preparatory period of up to two semesters. This preparatory period will not count towards the duration of the master's program. Students who fail to meet the language requirement by the end of this period will be dismissed from the University,
- c) The Turkish language requirement is waived for international student candidates who can provide documentation confirming that they have completed their undergraduate studies at a university where the medium of instruction is Turkish,
- ç) To fulfill the conditions specified in special conditions.

B) Requirements for the Doctoral (Ph.D.) Program

- a) To have a master's degree,

- b)** Those who apply to the doctoral (Ph.D.) program with an undergraduate degree must have a minimum GPA (in bachelor's degree) of 3.00 out of 4.00,
- c)** Verification of Turkish proficiency is not required for the application. Candidates who possess a Turkish proficiency certificate will be eligible for final registration. Those without a Turkish proficiency certificate will be granted a preparatory period of up to two semesters. This preparatory period will not count towards the duration of the doctoral (Ph.D.) program. Students who fail to meet the language requirement by the end of this period will be dismissed from the University,
- ç)** The Turkish language requirement is waived for international student candidates who can provide documentation confirming that they have completed their undergraduate studies at a university where the medium of instruction is Turkish,
- d)** To be admitted to the doctoral program, candidates must have scored at least 55 points in the last 5 years on the YDS, YÖKDİL, or international foreign language exams recognized as equivalent by the Council of Higher Education (YÖK), other than their native language,
- e)** To fulfill the conditions specified in special conditions.

C) Requirements for the Non-Thesis Master's Program

- a)** To have a bachelor's degree,
- b)** Verification of Turkish proficiency is not required for the application. Candidates who possess a Turkish proficiency certificate will be eligible for final registration. Those without a Turkish proficiency certificate will be granted a preparatory period of up to two semesters. This preparatory period will not count towards the duration of the master's program. Students who fail to meet the language requirement by the end of this period will be dismissed from the University,
- c)** The Turkish language requirement is waived for international student candidates who can provide documentation confirming that they have completed their undergraduate studies at a university where the medium of instruction is Turkish,
- ç)** To fulfill the conditions specified in special conditions.

D) Online Application

- a)** Online applications will be made through the MENU, APPLICATION PROCEDURES, and [INTERNATIONAL STUDENT GRADUATE SCHOOL APPLICATION](#) sections on the website <http://ubys.bartın.edu.tr/> between the dates specified in the announcement.

Candidates may apply to only one program,

- b)** Candidates are required to upload one passport-size photo, diploma (graduation certificate), transcript, passport, and notarized or Turkish Consulate-approved Turkish translations of these documents. For PhD applications, candidates must also upload the foreign language exam result document,
- c)** Candidates must provide accurate and complete information during their application. The declarations of the candidates will be considered as valid, and applications with incorrect or incomplete information will not be accepted,
- ç)** The approval or rejection status of applications can be checked on the application screen or via email. Candidates must monitor the status of their application during the application process and update their application if there is a correctable reason for rejection,
- d)** It is essential to submit online applications in accordance with the relevant provisions of Bartın University's Graduate Education Regulations and the Directive for the Application, Admission, and Registration of International Student Candidates to Graduate Programs at Bartın University.

E) Evaluation and Student Admission

- a) In admission to master's Education with Thesis;** Admission to master's programs with thesis is based on the undergraduate grade point average within the quota limits.
- b) In admission to Doctoral (Ph.D.) Education;** Admission to doctoral programs is based on calculating 70% of the grade point average from the master's program with thesis and 30% of the foreign language score of YDS, YÖKDİL or other exams accepted by the Council of Higher Education (YÖK) as equivalent, within the quota limits.
- c) In Admission to Non-Thesis Master's Education;** Admission to non-thesis master's programs is based on the undergraduate grade point average within the quota limits.
- d)** After the applications are evaluated in accordance with the Bartın University Graduate Education and Training Regulations and the Bartın University Regulations on Application, Acceptance, and Registration of International Student Candidates to Graduate Programs, student admissions will be conducted.
