

FROM BARTIN UNIVERSITY RECTORATE

International students will be admitted to the departments listed below by the **Institute of Graduate Studies** of our university in the **2021-2022 Academic Year Fall Semester**.

Candidates are required to fill in the online application form by clicking the **MENU, APPLICATION PROCEDURES AND INSTITUE APPLICATION** section from the web address <http://ubys.bartın.edu.tr/> between **09 august - 01 September 2021 (until 23.59 pm.)**.

At this stage, no documents will be requested from the candidates. Students, entitled to final registration, will be able to complete their registration process by uploading the documents, declared during application, from the Online Final Registration Screen, which will be announced later by the Institute. Candidates who make incomplete or incorrect statements during the application will not be registered. Candidates will be able to apply for at most two programs.

To whom it may concern.

<i>MASTER PROGRAMS (WITH THESIS)</i>	<i>QUOTA</i>	<i>SPECIAL REQUIREMENTS</i>
INTELLIGENT SYSTEMS ENGINEERING (Interdisciplinary)	10	Having a bachelor's degree in: Mechatronics Engineering, Computer Engineering, Industrial Engineering, Industrial and System Engineering, Electrical Electronics Engineering, Electronics and Communication Engineering, Electrical Engineering, Control Engineering, Control and Automation Engineering, Mechanical Engineering, Biomedical Engineering, Software Engineering, Information Systems Engineering, Computer and Informatics Systems Engineering, Digital Forensics Engineering, Computer and Software Engineering, Information Systems and Computer Technologies, Energy Systems Engineering, Medical Engineering, Logistics Management, Orthotics-Prosthetics and Management Information Systems.
ARCHEOLOGY	2	Having a bachelor's degree in Archeology or Art History.
PHYSICAL TRAINING AND SPORTS	2	Having a bachelor's degree in: Coaching Education, Recreation, Sports Management, Physical Training and Sports Teaching.
INFORMATION AND LOGISTICS MANAGEMENT (Interdisciplinary)	5	Having a bachelor's degree in: Faculty of Economics and Administrative Sciences, Faculty of Business, International Trade, International Trade and Finance, International Trade and Logistics, International Trade and Business, International Finance, International Logistics, Management Engineering, Industrial Engineering, Computer Engineering, Statistics.
INFORMATION SYSTEMS AND TECHNOLOGIES	10	Having a bachelor's degree.
REGIONAL DEVELOPMENT ECONOMY (Interdisciplinary)	10	Having a bachelor's degree in: International Relations, Tourism and Hotel Management, Economics, Business Administration, Public Administration, Management Information Systems, Forest Engineering, Forest Industry, Landscape Architecture, Computer Engineering, Environmental Engineering, Electrical-Electronics Engineering, Agricultural Engineering, Rail Systems, Transportation Engineering.
EDUCATION SCIENCES Educational Programs and Training	3	Having a bachelor's degree in Education or to have a pedagogical formation certificate
EDUCATION SCIENCES Department of Lifelong Learning and Adult Education	5	Having a bachelor's degree.
EDUCATION SCIENCES Guidance and Psychological Counseling	5	Having a bachelor's degree in Guidance and Psychological Counseling
Philosophy	5	Having a bachelor's degree.
FINE ARTS EDUCATION Painting-Business Training	3	Having a bachelor's degree in Painting and Business Education at the Faculty of Fine Arts Or to be a bachelor's degree in Painting, Sculpture, Graphic/Graphic Design, Photography, Ceramics, Traditional Handicrafts/Crafts/Traditional Turkish Arts, Visual Arts,

		Printing/Original Printing Arts, Plastic Arts, Composite Arts of the Faculty of Fine Arts/Faculties of Art and Design, Science exams of candidates who will apply to the Master's Program with Painting-Business Education Thesis; written exam and portfolio and evaluation (interview). Candidates are required to bring their portfolio files containing their artistic work with them when they come to the exam.
Infirmery Surgical Diseases Nursing	3	Having a bachelor's degree from any of the Nursing Departments of the Faculty of Nursing, Faculty of Health Sciences, Department of Nursing, School of Nursing and School of Health
CONSTRUCTION ENGINEERING	5	Having a bachelor's degree in Civil Engineering.
BUSINESS (Companies)	10	Having bachelor's degree.
BUSINESS Accounting and Finance	7	Having bachelor's degree.
MECHANICAL ENGINEERING	10	Having bachelor's degree in: Mechanical Engineering, Electrical-Electronics Engineering, Manufacturing Engineering, Metallurgical and Materials Engineering, Energy Systems Engineering, Chemical Engineering, Industrial Engineering, Metal Education, Mechanical Education, Installation Teaching, Agricultural Machinery.
MATHEMATICS	2	Having a bachelor's degree in: Faculty of Science Mathematics, Faculty of Arts and Sciences Mathematics, Faculty of Science Mathematics-Computer, Faculty of Education Secondary Education Mathematics Education, Faculty of Science Statistics.
MATHEMATICS AND SCIENCE EDUCATION Department of Science Teacher Education	5	Having a bachelor's degree in: Science Teaching, Biology Teaching, Physics Teaching, Chemistry Teaching, Classroom Teaching, Biology, Physics, Chemistry.
METALLURGICAL AND MATERIALS ENGINEERING	10	Having a bachelor's degree in: Metallurgical and Materials Engineering, Metallurgical Engineering, Materials Science and Engineering, Materials Engineering, Mechanical Engineering, Aircraft Engineering, Aeronautical Engineering, Aerospace Engineering, Industrial Engineering, Aerospace Engineering, Naval Architecture and Marine Engineering, Biomedical Engineering, Medical Engineering, Rail Systems Engineering, Chemical Engineering, Physics Engineering, Mining Engineering, Faculty of Science Physics, Faculty of Science Chemistry, Technical Education Faculty Mechanical Education, Technical Education Faculty Metal Education.
FOREST INDUSTRIAL ENGINEERING	5	Having a bachelor's degree in: Forest Industrial Engineering, Forest Engineering, Industrial Engineering, Chemistry, Physics, Econometrics, Biology, Plant Protection, Furniture and Decoration Teaching, Civil Engineering, Wood Products Industrial Engineering, Materials Science and Engineering, Chemical Engineering, Chemistry Teaching, Business, Economics.
FOREST ENGINEERING	5	Having a bachelor's degree in: Faculty of Forestry, Faculty of Agriculture, Faculty of Engineering, Faculty of Engineering and Architecture, Faculty of Engineering-Architecture and Design, Faculty of Economics and Administrative Sciences, Faculty of Science, Faculty of Letters Geography, Faculty of Letters Archeology.
LANDSCAPE ARCHITECTURE	5	Having a bachelor's degree in: Landscape Architecture, Architecture, City and Regional Planning, Urban Design.
Sociology	4	Having a bachelor's degree in Sociology, Social Work, Philosophy, Anthropology, Political Science, Political Science and International Relations, Political Science and Public Administration departments and any of the departments within the Faculty of Communication

History	5	To have a bachelor's degree in History, History Teaching, Social Studies Teaching, Sociology, Economics, Political Science, Public Administration, International Relations.
BASIC ISLAMIC SCIENCES	5	Having a bachelor's degree in: Faculty of Theology, Faculty of Islamic Sciences, Primary Education Religious Culture and Ethics Teaching.
TURKISH LANGUAGE AND LITERATURE	10	To have a bachelor's degree in Turkish Language and Literature, Turkish Language and Literature Teaching, Turkish Folk Literature, Turkish Folk Science, Contemporary Turkish Dialects and Literatures, Linguistics or Comparative Literature.
TURKISH TEACHING TO FOREIGNERS (Interdisciplinary)	10	To graduate from any department of Turkish Education, Linguistics, Contemporary Turkish Dialects and Literatures

PhD PROGRAMS	QUOTA	SPECIAL REQUIREMENTS
EDUCATION SCIENCES Educational Programs and Training	2	To be a graduate of the department of Education Programs and Education with thesis.
Philosophy	2	Having a master's degree with thesis.
CONSTRUCTION ENGINEERING	2	Having a graduate of civil engineering department and civil engineering department with thesis.
BUSINESS (Company)	5	Having a master's degree with thesis.
MECHANICAL ENGINEERING	3	Having a bachelor's degree, or master's degree with thesis of any of the following departments: Mechanical Engineering, Electrical-Electronics Engineering, Manufacturing Engineering, Metallurgy and Materials Engineering, Energy Systems Engineering, Chemical Engineering, Industrial Engineering, Mechanical Education, Metal Education, Agricultural Machinery.
Mathematics	2	To be a graduate of the Department of Mathematics. With thesis
FOREST INDUSTRIAL ENGINEERING	1	Having a master's degree with thesis in: Forest Industrial Engineering, Wood Products Industrial Engineering, Forest Engineering, Industrial Engineering, Furniture and Decoration Teaching.
FOREST ENGINEERING	2	Having a master's degree with thesis in: Forest Engineering, Forest Industrial Engineering, Landscape Architecture.
LANDSCAPE ARCHITECTURE	1	Having a master's degree with thesis in: Landscape Architecture, Architecture, City and Regional Planning, Urban Design.
TURKISH LANGUAGE AND LITERATURE	6	Having a master's degree with thesis.

MASTER PROGRAMS (WITHOUT THESIS)	QUOTA	SPECIAL REQUIREMENTS
Educational Sciences Life-Long Learning and Adult Education	10	Having a bachelor's degree.

DISTANCE TEACHING MASTER'S PROGRAMS WITHOUT THESIS	QUOTA	SPECIAL REQUIREMENTS
Business-Company	10	Having a bachelor's degree.
FOREST INDUSTRY ENGINEERING	10	Having a bachelor's degree.
FOREST ENGINEERING	10	To have a bachelor's degree from the Departments of Forestry, Faculty of Agriculture, Faculty of Engineering, Architecture and Design, Faculty of Economics and Administrative Sciences, Faculty of Science, Faculty of Literature, Faculty of Geography, Faculty of Literature, Archaeology.
MANAGEMENT INFORMATION SYSTEMS	10	Having a bachelor's degree.

A) Requirements for the master's Program with Thesis

- To have a bachelor's degree.
- Turkish language requirement is not required for the application. Those having a Turkish proficiency certificate among the candidates who are entitled to final registration are registered; Candidates without a Turkish proficiency certificate are given a preparation period of two semesters at most. This period is not counted for the education period of the master's program. At the end of this period, students who do not meet the language requirement are dismissed from the University.
- Turkish language requirement is not required for international student candidates who can submit a document that they have completed their undergraduate studies at a university, in which the teaching language is Turkish.
- To fulfill the conditions specified in special conditions.

B) Requirements for the Doctoral (Ph.D.) Program

- To have a master's degree.
- Those who apply to the doctoral (Ph.D.) program with an undergraduate degree must have a minimum GPA (in bachelor's degree) of 3.00 out of 4.00.
- Turkish language requirement is not required for the application. Those having a Turkish proficiency certificate among the candidates who are entitled to final registration are registered; Candidates without a Turkish proficiency certificate are given a preparation period of two semesters at most. This period is not counted for the education period of the master's program. At the end of this period, students who do not meet the language requirement are dismissed from the University.
- Turkish language requirement is not required for International Student candidates who can submit a document that they have completed their undergraduate or graduate studies at a university, in which the teaching language is Turkish.
- To have at least 55 points taken, apart from their native language, in the last 5 years from YDS, YÖKDİL, and other the international foreign language exams accepted as equivalent by Turkish Council for Higher Education (YÖK) in the acceptance of students to the doctorate program,
- To fulfill the conditions specified in special conditions.

C) Requirements for the Non-Thesis Master's Program

- To have a bachelor's degree.
- Turkish language requirement is not required for the application. Those having a Turkish proficiency certificate among the candidates who are entitled to final registration are registered; Candidates without a Turkish proficiency certificate are given a preparation period of two semesters at most. This period is not counted for the education period of the master's program. At the end of this period, students who do not meet the language requirement are dismissed from the University.
- Turkish language requirement is not required for international student candidates who can submit a document that they have completed their undergraduate studies at a university, in which the teaching language is Turkish.
- To fulfill the conditions specified in special conditions.

D) Online Application

- Online applications will be made between **09 Augustus -01 September 2021** through the [application tab](#) at the institute's web page on ubys.bartın.edu.tr.
- Candidates can be able to apply to only one program.
- During the application, the candidates must enter their information correctly and completely. The declarations of the candidates will be considered as the basis and the final registration process of the candidates who make false or incomplete statements will not be made.
- The approval or rejection status of the applications can be checked on the application screen and e-mail addresses. Candidates are required to check their approval status during the application period, and they need to update their application if there is an editable reason for the refusal.

E) Evaluation and Student Admission

- In admission to master's Education with Thesis**, It is accepted to master's programs with thesis within the quota according to the undergraduate GPA.
- In admission to Doctoral (Ph.D.) Education**; Graduate with thesis is accepted to doctorate programs within the quota, by calculating 70% of the cumulative grade point average of graduate with thesis program and 30% of the foreign language score of YDS, YÖKDİL or other exam accepted as equivalent by Turkish Council for Higher Education (YÖK)
- In Admission to Non-Thesis Master's Education**, Undergraduate GPA is accepted to non-thesis master's programs within the quota for the distance education.

F- Graduate Student Application and Admission Calendar

Application Process	09 August- 01 September 2021
Announcement of Results	03 September 2021
Final Registration of Candidates Entitled to Registration and payment	06- 10 September 2021
E-mailing Invitation Letters to International Students with Final Registrations	06- 10 September 2021

G- Documents to be Uploaded for Online Registration

- Undergraduate Graduation Certificate for Graduate for those applying to the master's Program.
- Academic transcript records of Undergraduate Degree for those applying to master's Program.
- Certificate of achievement certifying proficiency in Turkish from the exams organized by the institutions recognized by Turkish Council for Higher Education (YÖK)
- 1 passport photo (taken within the last six months),
- Certified Turkish translations of the documents.
- Deposit Fee Note (750 TL)
- Receipt of tuition fees

H- Fees Table

Department	Period Fee	Total fee
Intelligent Systems Engineering Department of Nursing Civil Engineering Mechanical Engineering Metallurgical Engineering Landscape Architecture	<i>1200 TL</i>	<i>2400 TL</i>
Other Department Heads	<i>1000 TL</i>	<i>2000 TL</i>
Distance Education Master's Programs without Thesis	<i>2500 TL</i>	<i>5000 TL</i>

Note:

1. Bachelor's Degree for Graduate Program applicants, Bachelor's and master's Graduation Certificate with Thesis for Those Applying to PhD Program required.
2. Bachelor's Degree for Graduate Program applicants, Bachelor's and master's Grade Status Certificate with Thesis for PhD Program applicants required.
3. YDS, YÖKDİL, and other international foreign language exam result, accepted as equivalent by Turkish Council for Higher Education (YÖK). For Doctoral (Ph.D.) programs; results within the last 5 years required.
4. Turkish success certificate taken from the exams organized by the institutions recognized by YÖK.
5. One passport's photo (taken for the last six months).
6. All documents must have an approved Turkish translation.
