

MASTER OF EUROPEAN AND INTERNATIONAL AFFAIRS

MA of "European and International Affairs" (MEIA) combines leading and interactive academic training with practice-oriented learning. Taking up a multidisciplinary approach, this 2-year English taught study program offers modules from politics with special emphasis on the European Union, economics, international relations and law. Our annual study trip to EU institutions in Brussels as well as to Berlin forms an essential part of the program, complementing the scientific perspective with practical insights on an applied level. MEIA further benefits from "INSITER-Inside the Turkey-EU Relations", an innovative teaching and research program on EU-Turkey relations. INSITER is awarded Jean Monnet Module funding by the European Commission for 2016-2019.
