2018

International Conference on
Material Science and Technology
in Cappadocia

Cappadocia

The organized third conference will be held three-day in Cappadocia, Nevşehir, Turkey during **September 17-18-19, 2018**. The conference will be organized by Nevşehir Hacı Bektaş Veli University (Department of Metallurgy and Material Engineering) **The IMSTEC 2018** aims at presenting current researches being carried out in the areas of Materials Engineering, Mechanical Engineering, Automotive Engineering, Physics and Chemistry for scientists, scholars, engineers and students from the universities, technologists, entrepreneurs and policy makers all around the World. Thus, the IMSTEC 2018 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that you can join us in the IMSTEC 2018 with new insights. We look forward to welcoming you to Cappadocia, where is a fascinating nature wonder in Turkey.
