THE INTERNATIONAL CONFERENCE ON MATERIAL SCIENCE AND TECHNOLOGY

IN KIZILCAHAMAM/ANKARA

(18th-20th October 2019)

The International Conference on Material Science and Technology in Kızılcahamam/ANKARA (IMSTEC 2019). The organized fourth conference will be held three-day in Kızılcahamam/ANKARA, during October 18-19-20, 2019. The conference will be organized by Nevşehir Hacı Bektaş Veli University (Department of Metallurgy and Material Engineering). The IMSTEC 2019 aims at presenting current researches being carried out in the areas of Materials Science Engineering, Mechanical Engineering, Automotive Engineering, Mining Engineering, Physics and Chemistry for scientists, scholars, engineers and students from the universities, technologists, entrepreneurs and policy makers all around the World. Thus, the IMSTEC 2019 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that you can join us in the IMSTEC 2019 with new insights. We look forward to welcoming you to Kızılcahamam/ANKARA, where is a fascinating nature wonder in Turkey.

The International Conference On Material Science And Technology (IMSTEC'19)

Important Note: The presentation language can be English or Turkish
