**Dear Respected Academics and Researchers,**

**On behalf of the Organizing Committee, we are pleased to announce that The Fifth International Conference on Computational Mathematics and Engineering Sciences (CMES-2020) will be held in Van Yüzüncü Yıl University from July 01 to 03, 2020 in Van.**

**CMES-2020 provides an ideal academic platform for researchers and professionals to discuss recent developments in both theoretical and applied mathematics, and in engineering sciences. This event aims also to stimulate interaction in the field of computational mathematics and its applications in science and engineering, to present developments in all these areas, and to showcase the computational expertise of our invited speakers and participants.**

**You can find more information about this event on the webpage of CMES-2020:  
[www.cmescongress.org](http://www.cmescongress.org)**

**We are looking forward to seeing you in Van / Turkey .**

**With our best regards,  
Organising Committee of CMES-2020**
