(ABSTRACT TEMPLATE)

TITLE OF PAPER

Name and SURNAME*

ABSTRACT

An abstract is a single paragraph, without subheadings, indentation or references. It should be an explicit summary of your presentation that states the problem, the objectives, the methods used, and the major results and conclusions. It should be single-spaced in 12-point Times New Roman. Do not include bullets or lists in the abstract. If there is a need to cite references, please provide the sources in brackets. The first part of your abstract should state the problem or issue you set out to solve and explain your rationale for pursuing the research. The purpose of your study is to solve this problem or add to your discipline's understanding of the issue. Your abstract should also describe the research methods. The content of the abstract will be the basis for acceptance of paper presentation at the international conference. The abstracts will be peer-reviewed and authors will be informed about acceptance for presentation via email. Be sure to adhere to the word limitation for the abstract (min 300 -500 words). The abstract should be submitted in the format of MS Word (.doc or .docx) document. Keywords should be given leaving one-line space below this text.

Keywords: single, paragraph, summarizes, words indentation (4-6 words)

* *Academic title, University, Department, Faculty, Institution, Country, Corresponding author's email.*

(Important Note: Name, surname, title, institution and contact information of all authors included in the paper should be provided. In addition, it is necessary to specify the corresponding author who will present the paper, all communication will be made through the corresponding author)

A Short Biography

Please send your biography together with the abstract using the following format:

1. Full name
2. Position /department/organization/country
3. Biography (word count should not exceed 50 words)
4. email address
5. Photo
