

The International Aluminium-Themed Engineering and Natural Sciences Conference (IATENS'19) October 4-6, Seydisehir / TURKEY

Dear Colleagues;

The conference firstly organized by Necmettin Erbakan University will be held three-day in Seydisehir, Konya Turkey during October 04st – 06rd, 2019. The IATENS 2019 aims at presenting current researches being carried out in the areas of Engineering and Natural Sciences for scientists, scholars, engineers and students from the universities, technologists, entrepreneurs and policy makers all around the World. Thus, the IATENS 2019 provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that you can join us in the IATENS 2019 with new insights. We look forward to welcoming you to Seydisehir, where is a fascinating nature wonder in Turkey.
