

## *Bartın University Quality Policy Paper*

Under the mission, vision and core values of Bartın University;

- To educate qualified individuals who contribute to society, science, art, and culture at a universal level with a student-centred approach,
- To develop research, applications and projects for science, social problems, and regional development with a solution-oriented approach,
- To transform quality into corporate culture by increasing the sense of belonging and stakeholder satisfaction with a participatory management approach,
- To disseminate and institutionalise entrepreneurial and innovative activities,
- To increase the recognition of the university at national and international level,
- To be a peaceful university that is sensitive to occupational health and safety and the environment,

adopted as a "Quality Policy."
